Bev Hisey

Canadian textile designer Bev Hisey was inspired to create the **Carpet Floor Cushions** when she noticed the 20-inch square samples of her rug designs were the perfect size for lounging. The beckoning cushions are hand knotted in India and come in a choice of 6 geometric die cut patterns: Pedal, Moroccan, Worm, Husky, Anise, and Umbellifera. 1066 Dundas Street West, Toronto, Ontario, Canada M6J 1W8; 416-703-3418; bevhisey.com circle 780
