Fall Foliage
Willow and Umbellifera pillows, Bev Hisey's lively take on the pussy willow and Pisonia umbellifera, are silk-screened wool-nylon felt offered in Apple Green, Partridge, Camel, Army Green, Canary Yellow, Dusty Rose, dark gold, and Wedgwood Blue. The top panel is die-cut to reveal undyed wool beneath, and the filling is either Dacron or feathers. Both styles measure 18 inches square. 1066 Dundas Street West, Toronto, Ontario M6J 1W8, Canada; 416-703-3418; bevhisey.com. circle 317
