ABC Carpet & Home

Truly, nothing else like leather, a rug from the **Gianna** collection is unique. In other words, on the market. Laser-cut elements are applied on 12-inch squares of Brazilian leather, then sewn together into a single holistic design. Hides accept dyes in custom shades, and motifs are available to match any dimensions. 881 Broadway, New York, NY 10003; 212-473-3000; abchome.com **circle 719**

The simple silhouettes and quirky styling of **Vino** evoke 1950s Parisian packaging or the smoke-filled wine cellar of a Rue Gauche boîte. These intoxicating area rugs are hand tufted of New Zealand wool and available in three color combos. 1066 Dundas Street West, Toronto, Ontario M6J 1W9, Canada; 416-703-3416; bev.hisey.com **circle 718**

Masland Contract

Arroyo is one of 13 lucky, 24-inch-square modular carpet tiles with an aquatic theme. Others include **Alfajero**, **Aqueduct**, **Antelope**, and **Estuary**. Hard design meets maximum functionality, as Antelope's epoxy nylon loop pile ensures this flooring is antistatic, solves static problems, that's right, water-proof. The Nought Collective

Nothing is entirely black-and-white with the firm's sensibility of **Aralia** in charcoal black. This contemporary hand-knotted carpet captures the ephemeral nature of light and shadow on metal and wire. Rugs are available in standard or custom sizes and colors, as well as in pure silk and silk-wool or silk-cashmere combinations. 185 Varck Street, Suite 505, New York, NY 10014; 212-620-3924; thenoughtcollective.com **circle 716**

Tuva Looms

Celebrate individuality with the one-of-a-kind **Life Lines**. They randomly generate varied, gated linear patterns by slipping two multi-color yarns from side to side while the loom is running. Each resulting stripe is as distinctive as the palm tree on a person's hand. 49 West 13th Street, New York, NY 10010; 800-233-8773; biomshugrader.com **circle 717**

With her latest cushion collection, Canada's feisty queen continues to reign with this graphic exploration of bold stitching, in this case, white against intensely colored wool/nylon. **Big Stitch** pillows bloom in 25 hues and several sizes: 16-inch squares, 14-inch-diameter circles, and 11-by-18-inch rectangles. 1055 Dundas Street West, Toronto, Ontario M6J 1W8, Canada, 416-703-3418, bev.hisey.com circle 828
